Subject Posting Open AR Report on the Web...

To All,

We now have available for your convenience a report of all OPEN ARs in Excel format on the web. The report can be obtained from the CAMS Web page at the following address:
<http://www.camsic.ossec.doc.gov/design/designdocs.htm>. The link can be found under "CSC Open Activity Requests." This report will be refreshed on Monday and posted by Wednesday COB.

With the availability of this new format, we have discontinued report distribution for ALL OPEN LEVEL 1 & 2 ARs FOR RAU and TECH MIGRATION REWORKS. We are currently providing a report for Level 1 Activity and bureau specific reports. If it is determined this format will suffice for the bureau specific requests and the current requests can be discontinued, please contact your Communication/Scheduling Committee Members referenced below who should contact Amy Sommerville, 301 258-4505 x245 to request the discontinuous.
